Dear Potential Sponsor of the All Sports Association:

On behalf of the entire All Sports Association, we thank you for your interest in the All Sports Association Awards Presentation, the key event which allows us to fulfill our mission of supporting the youth in our community. Because of the generosity of our sponsors, last February's All Sports Awards Banquet was an overwhelming success. We were able to contribute \$200,000.00 to our major beneficiaries, the local Boys and Girls Club, Special Olympics, Eleanor Johnson Youth Center and the Fellowship of Christian Athletes. When we add contributions to various other youth organizations and youth sports projects, the total contributions exceeded \$1,000,000.00 in the past 8 years. In this economy, these organizations need our help more than ever. Your sponsorship will ensure that support of these youth programs will continue. Your support makes a big difference in the lives of so many youth athletes in our community!

This year, we are excited about moving back to Destin-FWB Convention Center (Okaloosa Island) for the Banquet. Our events will be held Friday, February 6th (FCA Breakfast at the Mattie Kelly Arts Center) & Wednesday – Friday, February 18th – 20th. As in previous years, your sponsorship will provide you with the opportunity to enjoy two days of great entertainment, good food, fellowship with friends, as well as access to local and national sports celebrities. In addition, it will help ensure that the youth in our community will continue to have programs and facilities that aid in their development as athletes and more importantly, well rounded people.

One of the main highlights of the Annual Awards is always our Keynote Speaker. The excellence in speakers continues this year with **Derrick Brooks**. Mr. Brooks is an FSU two-time consensus All-American Linebacker, 11-time NFL Pro Bowl selection, and a five-time first-team All-Pro with the Tampa Bay Buccaneers, with the induction into the Pro Football Hall of Fame in 2014 and the College Football Hall of Fame in 2016. Mr. Brooks is also well known for his charity work and his advocacy on the importance of education through the Derrick Brooks Charities. Most recently, the University of South Florida announced that Mr. Brooks will serve as COO for USF Athletics and join the Department's Senior Leadership Team.

Of course, we will continue another longstanding feature of our Annual Awards. That is the recognition of local area athletes, a major objective of the All Sports Association. We are currently gathering nominations for the Male and Female Scholastic awards, as well as Amateur, Professional and Special Olympian awards. We also continue the recognition of individuals who have contributed a lifetime of volunteering in the local athletic community by presenting the Al Byrne Award, one of our most prestigious awards.

Corporate sponsorship levels for **10-person tables** are Corporate \$4000, Gold \$6,000 and Platinum \$12,000. **Payments made by Dec. 15th will receive a discount.** For your sponsorship you will again receive an Outstanding Sponsor Package for the three days of All Sports Award Activities. Those include tickets to our Scholastic Recognition Fish Fry, tickets to the Fellowship of Christian Athletes/Corporate Sponsor Breakfast and tickets to the VIP reception/social held before the Awards.

Your 2026 Awards Sponsorship is guaranteed when we receive your contract. With Hall of Famer Derrick Brooks achievements, background and message, we expect high demand for seats. So, please respond as soon as you can. If you have questions, please contact me or one of our Corporate Sponsors Committee Co-Chairmen, Ralph Frangioni at (850) 585-9839 / ralph.frangioni@ur-aces.com or Mark Siner at (850) 803-6612 / MarkCSiner@gmail.com

Again, thank you for your consideration of the All Sports Association sponsorship.

Best Regards,

Jearl McCall
